

PS900 SERIES

PRINTSTIK PS910

PLANON has created a technical marvel. At barely over 11" long and only 1.5 pounds in weight, the PRINTSTIK with Bluetooth® is the ultimate traveling companion. The PRINTSTIK PS910 is the entry level product aimed at cost sensitive environments with a sweet spot retail price of just \$299.00 The PRINTSTIK is a fully self contained and most convenient printer complete with paper and battery making it the smallest in the market. Using advanced Printing Technology, the Planon Printstik with Bluetooth® eliminates the need for messy and expensive ink, toner, or ribbons. The Bluetooth® connectivity provides a simple, reliable cable-free printing connection of up to 100 meters (approximately 300 feet) to your laptop*, PDA or other handheld Bluetooth®-enabled devices. Printing on-the-go has arrived!

Target markets:

- Cost sensitive environments
- Price Point situations
- On-line, web-based storefronts
